Tyler Haymore Memorial Scholarship Application 2024- 2025 Academic Year

This scholarship was established as a memorial for Tyler Haymore, a 2012 graduate from California State University, Chico with a Bachelor of Science degree in Agricultural Science & Education, and a graduate from Sutter Union High School. Tyler was passionate about his family, his career, and life in general. After college, Tyler pursued his dream of becoming a pilot and obtained his commercial pilot's license in 2016 to become a commercial ag pilot. In Tyler's memory, this memorial scholarship foundation has been established to assist like-minded (passionate, ambitious, and loving) individuals' pursuit of their career dreams. Applicants should be goal oriented, have a strong determination to succeed, and character traits that reflect leadership, cooperation, and a desire to help others. The scholarship decision will include academic merit, but will also take into consideration other marks of individual excellence such as life experiences and participation in athletics, extracurricular activities, school/community organizations, and family/social activities.

A. APPLICATION INFORMATION:
